

Notes to Contributors

Authors are informed when manuscripts and disks are received. Each manuscript is previewed prior to distribution to appropriate reviewers. Manuscripts are anonymously reviewed. Once all reviews are returned, a decision is made and the author is notified. To expedite matters, it is important for authors to provide a complete postal address, office and home phone numbers and, if possible, a facsimile number and e-mail address. The *Journal* reserves the right to make changes in manuscripts to improve clarity, to conform to style, to correct grammar and spelling, and to fit available space. Manuscripts should be original material and should not be currently under consideration by other journals.

- **Author anonymity in manuscript.** Authors must avoid any reference in the text that may reveal their identity(ies) to our anonymous reviewers.

- **Style.** For writing and editorial style, follow the *Publication Manual of the American Psychological Association* (2001, 5th ed.). References should also follow *APA* style and avoid discriminatory language.
- **Abstract.** In 50 to 75 words, describe the essence of the manuscript. Double-space on a separate sheet, and place it at the beginning of the manuscript. Do not include your name or any other identifying information with the abstract.
